Participation of Mechanical MAIT in CRC

Chapters Regional Conference (CRC) of ASHRAE Region XV was held with the theme of 'Blue is the New Green' on 20-22 September 2024 at Fateh Vilas by Fateh Collection,

Udaipur, Rajasthan, India. The event was organized by ASHRAE India Chapter and attended by more than 200 International and National Delegates including ASHRAE President, Mr Dennis Knight, USA. This is the first CRC of Region XV and offered a wonderful opportunity for participants to meet, interact, and socialize on a regional level. This conference offered workshop with technical sessions and panel discussions with participation from the government, built-environment industry and academia.

Three students of MAIT Mr Aman Kr (ME), Mr Aman Vats (MAE) and Mr Keshav Vats (MAE) attended and volunteered the same.

Mr Aman Kr shared his experience of 2024 design competition; whereas, Mr Aman Vats and Mr Keshav were acknowledged for getting scholarship from the society.

Dr Vaibhav Jain, Associate Prof and Head, ME Deptt also received huge appreciation and recognition for his work and support to ASHRAE.
