

### Team Jatayu Stunt Show at "TechSurge & Mridang 2023"

The Jatayu team, from the Mechanical Engineering department, participated in the "TechSurge & Mridang (TnM) 2023" event held on April 5-6, 2023. At the event, the team lived up to their motto of "Thrive Till The End" by putting on a thrilling stunt show that was a major highlight of the event. The stunt show included various exciting maneuvers such as roundabouts, a challenging staircase run, and a thrilling ramp that garnered a lot of attention from the audience. The team also set up a booth at the TnM festival, where they displayed an ATV and a collection of trophies that showcased their past accomplishments.
