

EVENT REPORT

Name of the Activity:	Aerostars Annual Technology Familiarization Day	
Resource Person/Organisation:	Team Aerostars	
Date: 03 rd September 2024	No. of Participants: 115	

On 14th August 2024, Team Aerostars under Dept. of Mechanical Engineering held annual technology familiarization day, for the new B-tech students, the team had an informative, interactive and fun session with 115 students from various branches throughout MAIT.

This event was held to introduce Aerostars, to the freshers and we had a very diverse agenda planned to make the same a big success, the session covered activities like

- Introduction to Team Aerostars & their achievements
- Informative tech-session, covering basic Drone fundamentals
- Fun quizzes, exhibits, and prizes to make the session even more engaging!
- Doubt clarification regarding the recruitment process, etc.

Following the various events, under the guidance of Dr. Kanchan Mudgil, Team Aerostars received 290 total student registrations and now we are all set to host our Group Discussion and interview rounds, for the final recruitment of session 2024-25

The Tech Day was a big success, followed by the efforts of the following Students
